

MyMedicare Registration Form

MyMedicare is a voluntary patient registration model. It aims to formalise the relationship between patients, their general practice, general practitioner (GP) and primary care teams.

MyMedicare patients and their usual GP and practice will have access to new benefits to help deliver more of the care patients need, improving health outcomes.

If you have trouble registering Online (through MyGov or Medicare Express Plus App), you may fill out this form and hand it back to reception. Our staff will help you complete the registration process.
